

Making Straw Bales now become MORE SAFER, FASTER & PROFITABLE!

INDIA'S NO.1 SCALELESS BALER with Automatic Twine Feeding System now comes with Fully Automatic Door Opening with Digital Bale Counter first time in the country.

5 DECADES OF
ENGINEERING
EXCELLENCE

INDIA'S FIRST 

INNOVATIVE DESIGN*

WITH EXTRA SAFETY

ROUND BALER BRB-500 TECH PLUS | Super Nova | ECO

Increase revenues after harvest by cleaning the fields efficiently and producing beautiful round bales safely and quickly with the all-new **BULL AGRO BALER**. As one of the country's pioneers in quality farm equipment manufacturing, **BULL AGRO** is now introducing the innovative and compact **ROUND BALER** for the first time in India, complete with **SCALELESS AUTOMATIC TWINE FEEDING SYSTEM** and **AUTOMATIC DOOR OPENING WITH DIGITAL BALE COUNTER**, which is more convenient and safer than conventional balers, with 30% higher productivity and double the profit. Highly good for both dry and wet chopped straw. It is suitable with all sorts of tractors, including lower HP ones. **BULL AGRO BALER** is driven by the most modern technologies that help you manage the bale.
